MEAL PLANS THAT MATCH YOU

HOW IT WORKS

- All residential students must have a meal plan each semester.
- Students attending college for their first full year (excluding transfers), regardless of completed hours, will be assigned the Bison Ultimate meal plan, but can change to the Bison Herd, if requested.
- Returning students and new transfer students will automatically be assigned the Bison Herd plan.
- The remaining fall semester dining dollars will roll over to the spring balance if the student has an active meal plan for the spring semester. All dining dollars expire at the end of the spring semester.
- Commuter students do not have to have a meal plan but can request one online. Commuter students who do not request a meal plan for the spring semester will lose their remaining balance from the fall semester.
- Students cannot change their meal plan after the conclusion of the first week of school.

DINING DOLLARS

Each meal plan comes with a certain amount of Dining Dollars per semester. Dining Dollars is the declining balance part of your meal plan that can be spent at the customer's option in all dining operations. It operates very much like a debit card. As the money is spent in places such as Uncle Dave's, Local Eats, Starbucks, and Chick-fil-A Express, the purchases are subtracted from the beginning balance. Your Dining Dollars may also be used in the Dining Hall in addition to the "meals per week or semester" of your meal plan.

LIPSCOMB BUCKS

The Lipscomb Bucks program was created for Lipscomb University Students, Faculty and Staff to be the ultimate complement to the university dining experience. With Lipscomb Bucks, your campus ID card can be used at all on-campus Lipscomb Dining locations. You, your friends and family will be able to reload the funds online 24/7. Lipscomb Bucks will be available for purchase online at <https://shop-lipscomb.sodexomyway.com>.

MEAL EXCHANGES

Students may use one meal swipe to redeem a designated combo meal at participating on-campus retail locations. Each location may have different menus and hours of availability for meal exchange items. Any modifications to a meal exchange item (e.g., adding extra cheese or bacon) may incur an additional charge, which can be paid using Dining Dollars or Lipscomb Bucks. Meal exchange swipes are non-transferable and may only be used by the student to whom the meal plan is assigned.
